

Quality System Information

This document should satisfy requirements for Supplier/Service evaluation

The Irish External Quality Assessment Scheme CLG (IEQAS) has supplied External Quality Assessment (EQA) schemes since established in 1981 and continues to be affiliated with the following professional bodies:

- Academy of Clinical Science and Laboratory Medicine
- Association of Clinical Biochemists in Ireland
- Faculty of Pathology of the Royal College of Physicians of Ireland

Some EQA schemes are IEQAS-operated, while many more are available through collaboration with the EQA scheme providers listed below. IEQAS are responsible for dealing with sales, orders, queries and complaints for all schemes supplied.

The IEQAS website displays current certificates, complaints procedure and other relevant information (www.ieqas.ie→Participant Info→Quality System Information).
